

## ARRANGE FOR BIG HOME-COMING

Special Feature of North Carolina State Fair—Case Against Norfolk and Western.

(Special to The Times-Dispatch.) Raleigh, N. C., September 8.—Two thousand handsomely engraved invitations to attend the great homecoming for former North Carolinians to be held in Raleigh during the State Fair week, October 17 to 22, have been sent to the great Ohio Valley Exposition, now in progress at Cincinnati, to be distributed to former North Carolinians through those in charge of the North Carolina exhibit. The cards bear the State seal, the North Carolina flag, and the State song in beautiful colors. It is said that all through the Northwest there is the keenest interest in North Carolina at this time, and a special interest on the part of former residents in the State in the approaching homecoming. Colonel Fred A. Olds, secretary of the Chamber of Commerce, is in charge of the work of stirring up interest in this homecoming feature of the State Fair.

The case of the United States vs. Norfolk and Western Railroad Company, in which the Federal court here has entered a judgment for \$500 for violation of the safety appliance act of Congress, through operating improperly equipped cars between Durham and Lynchburg, is being made up on appeal, and will be fought out in the higher courts with a view to testing the constitutionality of the act. It is understood that a number of the other railroads of the country are joining with the Norfolk and Western in carrying the case up for a test. There are three or more similar cases pending against the Southern Railway, on which the result of this appeal would have a direct bearing.

On the other hand, the Aberdeen and Rockfish Railroad Company has just accepted a judgment by Judge Connor in the Federal court here taxing the company with \$200 penalties for similar violations.

The executive committee of the Fourth Congressional District (Democratic), has elected James R. Young chairman to direct the campaign for Congressmen Poy, for re-election, and has authorized Mr. Young to arrange for a joint canvass of the district with whoever the Republicans put in the field as Mr. Poy's opponent. Mr. Poy says he will gladly meet his opponent. The indications now are that Mr. Cooley, of Nash county, independent candidate, will be endorsed by the Republicans. He has the handicap of having been a supporter of Mr. Poy in the past campaign, and of having moved that the nomination of Mr. Poy be made unanimous in the recent Democratic Convention, in which he was a delegate.

Police Justice Alex Stronach has made an order removing the case of Northeast Stronach, charged with selling whiskey, to some magistrate's court to be designated later. This is done at the suggestion of City Attorney Walter Clark, for the reason that the defendant is a cousin of the Police Justice. The defendant stoutly denies that he is guilty of the charge and insists that the case against him is a big blunder of the set of detectives that have been at work here for some weeks. He is a son of Hon. Frank Stronach, one of Raleigh's best known business men, and was married only a few months ago.

Burn should be selected with as much care as the very food you eat or clothes you wear, because it's a necessity to keep your home heated to one temperature to preserve health, and very important to have a good cooked meal, and if on time, you can enjoy it instead of hurrying. Good wood split of long body trees in right season, and properly prepared, or coal mined from the right quality, and properly prepared, taking out all slate or hard stuff, will not only avoid inconvenience and worry, but save about \$5.00 on your monthly bill. ## SENT POISON TO SON IN JAIL

Colored Woman Says She Wanted to Make Him Sick, to Secure His Release.

(Special to The Times-Dispatch.) Norfolk, Va., September 8.—Sannie Mitchell Carter, the negro woman who last night was arrested and jailed on a charge of attempting to murder her thirteen-year-old son and another colored boy, confined in the city prison on petty charges, by sending the Carter boy a lot of candy containing antiseptic tablets, to-day confessed that she put the poison in the candy, saying she wished to make her son sick, so he would be turned out of jail. The Carter woman recently lost two children, who died suddenly, and it is said she collected small insurance policies on their lives. The boy in jail now suffering from poison is also insured. He asserts that his mother has killed six or her children to get the life insurance money.

The woman has worked in a number of the best homes in the city and is a woman of more than the average intelligence.

### OPENING OF COLLEGE.

President Graham Predicts Large Enrollment of Richmond Boys.

(Special to The Times-Dispatch.) Hampden-Sidney, Va., September 8.—The 15th session of college will open Wednesday, September 14, at 4 o'clock in the afternoon. President Graham expresses himself perfectly satisfied with the outlook, saying that notwithstanding the large graduating class of last year, the largest for fifteen years, and a decided ad-

vation in the entrance requirements, he expects that there will be no falling off in the attendance, and has good reason to believe that there will be an increase. Richmond will send possibly the largest delegation to Hampden-Sidney that has ever attended college here at one time. There were a good many last year from that city and this number will be largely augmented the coming session.

The decorations of the church were in good taste. The bride was gowned in light blue messaline and duchess lace, with black picture hat. Her bouquet was of white roses. The maid of honor, Miss Ethel Crews, of Washington, D. C., wore white net over white tulle and carried pink carnations. The groom's best man was R. M. C. Harris, of Orange county. ## SPIRITED RACING IN FEATURE EVENT

General H., in One-Sided Match, Wins \$10,000 Trot.

Hartford, Conn., September 8.—Spirited horse racing, sensational airplane flights, and other lesser attractions, made Governor's Day at the Connecticut State Fair the biggest and best of the week. The blue ribbon event of the Grand Circuit races, the \$10,000 2:09 trot, was a one-sided affair for General H., driven by G. H. Hag, who took all three heats, each one a race. The purse was divided as follows: Summary: General H., \$5,500; Gamarr, \$1,500; Alice Roosevelt, \$1,200; Soprano and Binvol, \$750 each, and Teasel, \$300. The track record for this event of 2:04 3/4, held by Hamburg Belle, was not in danger at any time. The best time was 2:08.

All of the four races on to-day's card were won in straight heats. The 2:20 trot went to Captain Cate easily; the 2:11 was taken by Starline, without much trouble, while Earl Jr., won the 2:08 pace. ### KEMPER YANCEY WILL COACH HAMPDEN-SIDNEY

(Special to The Times-Dispatch.) Hampden-Sidney, Va., September 8.—General satisfaction is felt here at securing Kemper Yancey, of Harrisonburg, as the coach for the football team for the season which is about to begin.

Yancey's record as a football player needs no comment, and is familiar to all followers of the game in Virginia. He was with Randolph-Macon four years, where he starred, and for three years was with the University of Virginia as fullback on that team.

Manager W. G. Dunnington, Jr., deserves much credit for his success in landing such a man. Eight of last year's team, besides a number of substitutes, are expected to return, and it is stated that there will be good material among the new men.

Bijou—"Morning, Noon and Night."

Yiddish Play Enthusiastically Received. Judging from the roars of laughter and the outbursts of warm applause from the audience at the Academy of Music last night, "Die Greene Vabele" is an unusually clever and amusing play, and David Levenson and his company are most excellent actors. Indeed, even to a man who understands no more of Yiddish than he does of Persian, it was very apparent that these men and women were playing their parts, not merely walking through them, and in many instances, the facial expression, the intonation and the quality of voice of the actors conveyed

White Ribbons Pull Out Game of Indoor Baseball.

In a game of baseball, in which National Leaguers would have had nothing on the players, the White Ribbons defeated the Mint Jupels last night. The two teams were picked from the star ball players in Company C of the 1st Cavalry. The game was pulled out in uniform after the weekly drill, and was attended by the rest of the company, acting in the capacity of rooters.

After the end of the ninth inning a recess was taken to give the officials time to count the scores. In accordance with the terms of the contest, the Mint Jupels were compelled to drink all the water their systems would hold. The amount varied considerably.

The Mint Jupels also were charged with announcing the score to-morrow, after an adding machine has been brought into play.

### CAVALRY TEAM WINS.

For Second Time Takes Gould Rapid

Sengitt, N. J., September 8.—The United States Cavalry team won the Gould rapid fire match, a handsome trophy, in memory of the late Arthur G. Gould, at the interstate rifle tournament to-day. The same team won the trophy last year.

The Seventy-first Regiment trophy match went to a team of the United

States Infantry, and the New York State Rifle Association match went to Sergeant Leuschner, of New York.

Captain Short, of New York, was second, and Private Minervini, of New Jersey, third.

The Spencer 1,200-yard silhouette match, won by the New York team, was a novel contest. Skirmishing was the feature. The men were assigned to alternate targets, and as soon as a figure was hit the man assigned to that target was considered as dead, and dropped out. New York "killed" eight men, District of Columbia six, United States Infantry two, A team of expert shots, ranged by Colonel Dooley, of Maine, and captained by Captain Casey, of Pennsylvania, bagged only one.

The all-comers revolver match was won by P. Hanford, of Squadron A, New York, whose total was 134. Squadron A also took the New Jersey team revolver match.
